

# Policy, Advocacy, and Research in Counseling Center Research Proposal Application

Title of Research Project: \_\_\_\_\_

## Research Category Applying For:

- NBCC-Sponsored Research**  
*Sponsored research is funded by NBCC and will be owned by NBCC upon the completion of the research. NBCC will promote market research as well as work to create space for the team to present their findings.*
  
- NBCC-Supported Research**  
*Supported research is research that is currently in progress or has been completed. The research team is seeking support in making their findings publicly available, and the research has not appeared in any publications prior to working with NBCC.*
  
- Completed Research Promotion (Spotlight)**  
*This is research that has concluded; however, it has not included policy recommendations. The research team is seeking to update their research to positively impact the counseling profession and to be presented in legislative and regulatory discussions.*
